Odd book, good read

By Amazon Customer

This is truly an odd book. I have checked many of the things in it, in order to find the fact or fiction side. I am quite stunned at the weird stuff I didn't know existed. For an example. has anything besides water in the form of rain or snow fallen from the sky? Has there been evidence of Human blood, frogs, fish, and just recently spiders falling from the sky? Maybe you don't know as much as you think you know. O and yeah this book has nothing to do with racism.

Well researched and informative

By Slyborn

Dr. Ruckman, contrary to the previous reviewer, is a Baptist Preacher with the highest standards. The information in the Book is NOT racist, which he states numerous times, but documents the news media SILENCE on subjects they cannot and will not deal with.

He hits hard and straight. This book is not for anyone remotely

"politically correct"

An Excellent Expose' for the Bible-Believing Christian

By Jeffrey Mardis | Author & Publisher

To say that BLACK IS BEAUTIFUL is "RACIST GARBAGE", as one reviewer has so aptly stated, is simply a knee-jerk reaction (with an emphasis on "jerk") by someone who obviously has not read the book. This book is NOT about African Americans (and this is stated at the book's beginning). BLACK IS BEAUTIFUL examines a broad chunk of the modern "conspiracy" literature (these are not "Ruckman's beliefs", but the writings, beliefs and books of others) such as covert CIA "black" op programs, "black" helicopters, government "black" budgets, news media "blackouts", nazis wearing "black" uniforms under the symbol of a "black" sun (the swastika), the "black" cat symbol, "black" magick, the Masonic "black" ball, "black" holes, UFOs, aliens, etc. and then analyzes all this unbelievable stuff with a little "black" book - the best selling book in history - the King James Bible. If you want a book that's not afraid to "prove all things" or "try the spirits" in areas where most preachers don't even dare to tread, then this book is for you. Very, very informative stuff and an excellent expose' of evil with solid Scripture provided for discerning Christians. You think this book supports or believes in such anti-scriptural junk as "British Isrealist teachings" or racial "English supremacy"? - nonsense! This book should be in every Christian's library. A+

Highly Recommended!
