A queen wanted to test how wise her husband was. She was standing far from him and was holding two flower baskets. One had real flowers and one had fake or unreal flowers. She asked him, "Which one is real? Which one is fake?" The king did not answer right away. He was silent for a moment. He saw some bees outside. They were on the roses. He told a servant, "Open the window." The servant did what he said. The bees came in from the window. They went to the basket with real flowers. Now everyone knew which basket had real flowers. The queen was happy with the king and felt proud of him.
